Welcome to Hollard

Hollard is committed to providing world class service. Our aim is to ensure that all our communication with you is honest and easy to understand. We wrote this policy in plain English.

We will pay a valid claim for the benefits set out in this policy on condition that:

- you pay the *premium* set out in this policy;
- you give us all the information we ask for that materially affects our risk; and
- you and all the *insured persons* keep to the terms and conditions of this policy.

The parties to this policy

The policy is a legal contract between you and Hollard. Only you have rights under this policy.

- 'We', 'us' and 'our' refer to Hollard Life Botswana Limited. Hollard is a registered insurance company and an authorised Financial Services Provider.
- 'You' and 'your' refer to the *main insured person* who is the owner of this policy.

Key definitions used in this policy

We have given a specific meaning to certain words. These words appear in *italics*. The glossary at the end of this document gives the definitions that have the same meaning anywhere in this policy. Certain definitions only apply to a specific benefit section and will appear at the end of each benefit section. The most common definitions used in this policy are below.

- '*policyholder*' refers to you, the owner of the policy and the *main insured person*.
- '*insured person*' refers to a person that meets the conditions for eligibility.
- '*main insured person*' refers to the person who we accepted as the *main insured person*.

How to read this policy

- The plural of these words is used where appropriate.
- The headings in the policy are for reference only and will not affect the meaning of the terms and conditions to which they relate.
- When we refer to a specific section of this policy, the reference will include the name of the heading. Days refer to ordinary calendar days, including weekends and public holidays.
- Month means a calendar month including the first day, the last day and including weekends and public holidays.
- Words which refer to natural persons will also refer to legal persons.
- 'He', 'him' and 'his' refers to a male or female.

Your policy

This policy is a legal contract between you and us and includes your **registration** and the **policy wording**.

- The **registration** is where you asked us to cover all the *insured persons* under this policy, and where you gave us permission to collect the monthly *premium*.
 - The registration is electronic via your mobile device or physical form that you completed at your local BTC customer service touch points; or
 - If you make any changes or additions to the policy after the *policy start date*, the physical or electronic form you completed when you made the changes will also be part of this policy.
- The **policy wording** includes the general terms and conditions and the benefits as explained below:
 - The general terms and conditions include all the terms, conditions and exclusions that apply to all the benefits.
 - The benefits set out the terms and conditions specific to the selected benefit.

The policy wording makes up your policy documentation that we sent or gave to you. You must carefully read these documents together. Make sure you understand what you are covered for as well as what your responsibilities are. If you do not keep to the terms of this policy, it may result in us not paying a claim or cancelling your policy.

We are not bound by any changes unless we have agreed to them in writing and have included them into this policy by issuing you with a new policy wording, policy schedule, an endorsement letter or an SMS confirming the change. This policy document replaces all previous policy documents.

The policy document will always be the final determining factor in the event of any disagreement around meaning or interpretation.
